BECOME A SPONSOR!

Showcase your support to thousands!

109 Front Street Winchendon, MA

86 Ingleside Road Winchendon, MA

Dear Potential Sponsor,

The Winchendon Parks and Recreation Commission invites you to be a sponsor for the 2024 Season at The Winchendon Community Park. In the last 3 years the Parks & Recreation Commission has grown programming from 8 events to almost 40 events. 2023 kicked off with the Grand Opening of the brand new Robinson-Broadhurst Foundation Performing Arts Amphitheater at The Winchendon Community Park, which set us up for a very successful year of programming. The dollars we receive are critical; without this support these lively community events could not exist. We could not bring such amazing recreational offerings to our fabulous town without these funds.

Our lineup of events this past season has been the best Winchendon has ever offered and we can only hope to continue it this year as we start a very cultural and community oriented programming for our town. In 2024 Winchendon Parks & Recreation strives to bring their programming to a new level with milestone goals of more attendees and even more events. There is no other place like the Winchendon Community Park within 40 miles of Winchendon and we want to ensure this is an asset to the local and surrounding communities.

In 2023 we offered limited sponsorships but in 2024 we are offering a much wider variety of opportunities to market your business and support our park. With each year we are able to grow our reach to surrounding communities and create new and inventive ways of getting your business seen. We hope that you find these sponsorships to be a suitable fit for your marketing needs but if you ever have any questions please reach out to us.

There is a great deal of information in this proposal, and I encourage you to contact me if you have any questions. Being a sponsor is a wise investment of your marketing budget given the constantly changing means in which we connect with the people in our community.

Thank you for the time you will take to review this proposal.

With great appreciation,

Tiffany Newton

Advertising Methods

We advertise across social media and share to at least 12 different surrounding town sites.

Our newsletter has over 100 subscribers and growing.

Flyers are distributed throughout our town at local businesses, through the schools the Winchendon Housing Authority, and the Senior Center.

We are working diligently to send flyers to our surrounding towns as well, including attending festivals such as farmer's markets and The Greater Gardner Night Out event. We advertise in the Macaroni Kid Leominster, Johnny Appleseed magazine and we have been written about in Johnny Appleseed, The Winchendon Courier online, as well as in the Gardner News.

A minimum of 500 Brochures are distributed for each the Spring/Summer and Fall/Winter season.

As each year passes we get new and exciting ways that we advertise! Some options in the works right now are:

- Local Newsletters
- Local Radio Stations
- And More.....

ADVERTISING METHODS

EVEN MORE WAYS WE GET THE WORD OUT

Events will be advertised on the electronic sign at the amphitheater entrance as applicable

Some larger events will be advertised on the highway sign on Rt 140

The American Legion Post 193 and the Fire Station have also offered to advertise events on their new electronic signs

Larger banners are in the works to advertise across main streets in Winchendon
